    - **What if I want other sides?** Additional "family size" sides can be purchased. Each "family size" side order consists of four servings and you can choose from: Brussels Sprouts, additional Stuffing, Golden Carrots + Beets, Roasted Sweet Potatoes & Red Peppers, Mac & Cheese, Creamed Spinach, and Mashed Potatoes. Additional sides cost \$17.95 if you buy them from the restaurant, Urban Plates website, or the Urban Plates App

and \$19.95 if you want them delivered (DoorDash, UberEats, or GrubHub).

- **Why can't I choose the sides?** Last year, guests got to choose one side, this year they are getting two of our most popular sides. Thanksgiving is very busy and we learned from last year that guests choosing a side really slowed down our ability to execute Family Meals which caused guests to wait longer for their food. Since the vast majority of guests ordered mashed potatoes or brussels sprouts, we made BOTH these sides automatically included with the meal.
